Simma,

Thank you for agreeing to help review these 404(g)/Assumption webpages on short notice. Attached are the webpages we intend to publish concurrent with the announcement of tribal consultation on October 22. Most were built around the edits you provided earlier in this process to Andy Baldwin, though there is some new language in there. Please review as soon as possible.

Thanks again. Let me know if you have any questions or concerns.

B
